**RENEWED PETITION UNDER 37 CFR 3.81(b) and**  
**REQUEST TO CORRECT ASSIGNEE UNDER 37 CFR 3.81(b)**

Sir:

Patentee hereby renews the petition to the Director under 37 CFR 3.81(b) for review of the Decision on Petition mailed January 25, 2011 which was dismissed. The Request To Correct Assignee Under 37 CFR 3.81(b) filed December 20, 2010 requested the correction of the assignee name on the face of the patent from "HITACHI, LTD., Tokyo, (JP)" to "Hitachi High-Technologies Corporation, Tokyo, (JP)" on the title page. A Certificate of Correction Request was submitted with the Request on December 20, 2010.

Statement of Facts

(1) Applicants filed a Petition on December 20, 2010 under 37 CFR §3.81(b) to correct the name of the assignee on the front page of the patent by way of Certificate of Correction.

(2) Petitioner requested issuance of a Certificate of Correction in the name of Hitachi High-Technologies Corporation, Tokyo, (JP). See Exhibit 1.

(2) The Decision on Petition mailed January 25, 2011 dismissed the Request.

(4) Applicant made an error through the undersigned attorney when submitting the original Assignment for recordation on July 9, 2004. See the Recordation Sheet and original Assignment executed April 12, 2004. Exhibit 2.

(5) The error made in the Recordation Sheet for the original Assignment from the inventors to Hitachi High-Technologies Corporation was realized the day after the patent issued. A corrective Assignment was filed on November 3, 2010. See Exhibit 3.

(6) The Notice of Recordation of the corrective Assignment to correct the Assignee's name and address of a previously recorded Assignment was mailed November 3, 2010. See Exhibit 4.

Point to be Reviewed

The Decision states that the assignment records of the U.S. Patent and Trademark Office discloses an Assignment from Hitachi, Ltd. to Hitachi High-Technologies Corporation recorded on November 3, 2010, which is after the date of issuance of the patent. However, the Assignment Records do not disclose the recordation of such an

assignment. Rather, a "Corrective Assignment", which is a request filed with the Assignment Division to correct a previously recorded assignment that was recorded in error, was filed and recorded on November 3, 2010. The Corrective Assignment filed on November 3, 2010 corrected the name of the Assignee to Hitachi High-Technologies Corporation. That is, there is only one assignment for the present patent, which is the original Assignment from the inventors to Hitachi High-Technologies Corporation and the original Assignment was filed on July 9, 2004, but with the wrong assignee named through an inadvertent error.

#### Discussion

Petitioner renews the Petition for the purpose of requesting the Certificate of Correction be accepted to correct the name of the assignee as printed on the front page of the patent. The Decision on Petition indicated that the Petition was denied because the Patent Office assignment records disclosed an Assignment from Hitachi, Ltd. to Hitachi High-Technologies Corporation was recorded on November 3, 2010. which is after the patent was granted on November 2, 2010. However, this Petitioner filed a Corrective Assignment, not a new Assignment, for correcting a previously recorded Assignment from the inventors to Hitachi High-Technologies Corporation, because the original Recordation Cover Sheet incorrectly indicated that Hitachi, Ltd. was the assignee. The mistake was inadvertent and was corrected immediately after the patent issued and patentee brought the mistake to the attention of the undersigned attorney. Accordingly,

Petitioner requests that the Petition Under 37 CFR §3.81(b) be accepted and the Certificate of Correction issued.

Action to be Taken

Petitioner requests that the Director accept the Certificate of Correction filed to correct the assignee from Hitachi, Ltd., Tokyo (JP) to Hitachi High-Technologies Corporation, Tokyo, (JP).

Conclusion

For the foregoing reasons, granting of the Petition and forwarding of the file to the Certificate of Corrections Branch are respectfully requested. The required fee of \$100.00 was submitted for consideration of the Request for Certificate of Correction filed December 20, 2010. If any fees are due in connection with the filing of this Petition, the Commissioner is hereby authorized to charge the Deposit Account No. 50-1417 (KAS-199).

Respectfully submitted,
